Wait with adding new pairs.  
After the fan you can empty pin C  
to create space for new pairs.

**A+C:** total 108 thin threads of 75 cm or 30 inches (for example DMC 80 / Venus 70)

Try the thick plait and spread the ends to test if the colours blend well.

**B:**

2 thick threads  
(for example  
cotton Perlé 8)

3,1 m  
or 122  
inch  
for the  
runner  
in the  
fan

0,7 m or  
28 inch  
for the  
edge  
pair

**A:**

22 threads of 75 cm for 11 pair  
attach temporarily at A, leave  
+/- 22 cm before A for the trunk

**C:**

per fan:  
12 threads of 75 cm for 6 pair  
attach temporarily at C, leave  
+/- 30 cm before C for the trunk
